THE MILLION DOLLAR PYRAMID

Your Million Dollar Pyramid should clearly articulate which segment of your target market your product or programs serves. This tool should allow your audience to "self select" and determine where they are on their journey (and your Signature Systems shows them how you can help them get to the next step). Every Value model should have a currency that matters, clear steps, symptoms and one key to success for each level.

What Was Today's Millionaire Mentorship / Mastermind Insight?

A large, empty rectangular box with a thin black border, occupying most of the page. It is intended for the user to write down their insights from the mentorship or mastermind session.
